ROYAL CANADIAN LEGION, ONTARIO PROVINCIAL COMMAND RESPONDS
TO THE INCIDENT AT THE CAMPBELLFORD LEGION BR. #103

Ontario Command of The Royal Canadian Legion deeply regrets the disgraceful lack of judgment exhibited by the individuals involved with the incident at the Campbellford Legion Branch #103.

“Be assured that this matter is being dealt with swiftly by means of our internal procedures” says the Provincial President, Ed Pigeau. “We would respectfully request that everyone appreciate and understand that the actions of a few do not represent the members of the Campbellford Legion as a whole or the members of our great organization. “The Branch has been closed pending a full investigation and for the protection of the branch and its members. The Royal Canadian Legion, Ontario Command extends its sincere apologies to anyone who was offended by the actions of those narrow-minded individuals.”
